Dear Parents,

Re: Distance Learning

As you know, we have been directed to close the school for the foreseeable by the Ministry of Education to keep our children and team safe and well.

The continuation of our children's education is important to MNS-D and a plan to do so will be implemented immediately – your teachers will contact you directly with details and on a daily basis with activities for the children to complete and return (if applicable). For the moment, and until we have further information on how long the closure is for, the focus will be on the core subjects: English, Maths, Science & Arabic. Please find attached our 'Parent Guidelines and Procedures', it is important we work together to achieve these outcomes and ensure progress continues.

The team are keen to ensure your child is supported as best as possible so if you have any questions or queries, please do not hesitate to reach out to them. Please note the team will be working school hours: 7:30am – 3:10pm.

Additionally, if you are unsure of your teacher's email, please contact the Relevant Coordinator asap.
